SHARP and SHARP Employee Self-Service Unavailable 6AM-1PM Sunday, August

17th

As part of an ongoing effort to upgrade the environmental equipment in the

DISC data center, a Power Distribution Unit (PDU) will be replaced this

Sunday. The work involves shutting down power to certain pieces of

equipment while the electrical cables are moved from the old PDU to the

new PDU. The storage device housing SHARP data is one piece of equipment

affected by this work. For this reason, the SHARP application (both SHARP

and SHARP Self-Service) will not be available this Sunday, August 17th,

from 6:00 AM until 1:00 PM. We are sorry for any inconvenience this may

cause.
