SHARP Reports on the MVS Available by 10:00 a.m.

DISC technical staff has resolved the issue which prevented SHARP reports generated on Monday, November 10 from being available in the agency directories on the MVS. The problem has been resolved and the reports are in the process of being transferred. Agencies should be able to access SHARP reports from Monday's processing in their agency directories by 10:00 a.m. this morning.

Again, thank you for your patience.
