REMINDER: LEAVE ACCRUAL HISTORY INFORMATION TO BE DELETED THIS MONDAY, OCTOBER 20, 2003

Leave accrual information that is 5 years and older will be purged from the SHARP Leave Accrual - Work History page Monday, October 20th.

This process will take several days to complete.

We ask that users refrain from accessing the Leave Accrual – Work History page on Monday and Tuesday, unless it is absolutely necessary.

If you have questions about this process, you may direct your questions to brent.smith@da.state.ks.us.
