**SUMMARY:** DHR will mail directly to state agencies various forms previously mailed to the Division of Accounts and Reports for dissemination to state agencies.

---

The Division of Accounts and Reports (A&R) is currently reviewing internal workflow and document flow to achieve process improvements. As a result of this review, we have identified 15 forms A&R receives from DHR that require no processing by A&R and could be mailed directly to state agencies. These forms are received in various quantities and frequencies. Upon receipt, A&R forwards them to the proper state agency. Many of these forms have short deadlines for response. The response time is further shortened because they are submitted to A&R first.

A listing of the forms identified is shown at the end of this informational circular. DHR is currently making address changes and will begin to mail these forms directly to state agencies as the address changes are made. *These forms will be mailed to your state agency to the attention of the Personnel Director.* Questions regarding individuals forms should be directed to the telephone number or address shown on the form. General assistance can be obtained by contacting the Department of Human Resources, Division of Employment Security, at (913) 296-0821.

One of the forms to be mailed directly to state agencies is K-CNS 026, Reimbursing Employer's Quarterly Statement of Benefits Charges. As a reminder, this form is a statement and not a billing (no money should be sent to DHR). This statement is only received for a quarter in which there were claims against the agency. Agencies should review this statement upon receipt to ensure that individuals shown on the statement did, in fact, work for the agency. Questions regarding this statement may be directed to Mr. Gary Spray of DHR at (913) 296-5024.
