

How to Locate an Auditor or Audit Firm

If your municipality is looking for an auditor or audit firm to handle your annual audit, an excellent resource is available through the website maintained by the Kansas Board of Accountancy (<http://www.ksboa.org/>).

The home page of the Board's site contains links to pages that will allow for searches by firm name, or by individual name. In both instances you can broaden your search to a particular city (e.g. "Salina"), or even to the state as a whole.

The Board may be reached by e-mail at:	info@ksboa.ks.gov
