RESOLUTION NO. _____

A resolution expressing the property taxation policy of the Board of **OSBORNE** County Commissioners with respect to financing the 2013 budget for Osborne County and the Osborne County Fire District's No. 1, No. 2 and No. 3.

Whereas, K.S.A. 79-2925b, provides that a resolution be adopted if property taxes levied to finance the 2013 County budget exceed the amount levied to finance the 2012 County budget, except with regard to revenue produced and attributable to the taxation of 1) new improvements to real property; 2) increased personal property valuation, other than increased valuation of oil and gas leaseholds and mobile homes; and 3) property which has changed in use during the past year, or with regard to revenue produced for the purpose of repaying the principal and interest of bonded indebtedness, temporary notes, or no-fund warrants; and

Whereas, budgeting, taxing and service level decisions for the County services are the responsibility of the Board of County Commissioners; and

Whereas, the County provides the essential services of the citizens of the County; and

Whereas, the cost of provision of these services continues to increase; and

Whereas, the 2012 Kansas State Legislature failed to fulfill its obligations in regard to the statutory funding of demand transfers and, by significantly reducing state revenue sharing payments to counties, has contributed to higher County property tax levies to finance the 2013 County budget.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners that it is our desire to increase property taxes to finance the 2013 County budget due to the above mentioned constraints.

ADOPTED THIS _____ day of _____, 2012 by the Board of OSBORNE County Commissioners.
