

BID FORM & SPECIFICATIONS – EVT0002345

**HVAC Equipment Replacements
EDCF Southeast Unit
2501 W. 7th Street, Oswego, Kansas 67356**

The successful bidder shall supply all materials, equipment and labor necessary to remove and replace existing package roof top units, exhaust fan, and make up air unit, and replace with new packaged roof top units, exhaust fan, and make up air unit. Removal and disposal of existing equipment shall include all labor, equipment, and crane service necessary for removal and disposal of all units off-site. Installation of all new equipment shall include all equipment, materials, labor, permits, and reconnecting of condensate drains, as well as all electrical and gas connections. All work under this contract shall be performed in accordance with National HVAC codes and/or local codes. Site visits can be arranged by calling Shawn Humig at 316-322-2092.
