

The University of Kansas Medical Center  
**ELEVATOR REPLACEMENT, Various Buildings**

**PROGRAM STATEMENT**

The objective of this project is to replace old, unreliable elevator equipment with new state of the art, code compliant equipment and controls. The elevators are located in various buildings at the University of Kansas Medical Center campus in Kansas City, Kansas and the University of Kansas School of Medicine in Wichita, Kansas. The elevator replacement work will be executed in phases extending over two years. The budget for the project is approximately \$2,400,000. The buildings, numbers of elevators, and existing elevator equipment manufacturers included in the project are listed as follows:

Kansas City, Kansas Campus

Lied Building	3 Elevators	Manufacturer: U.S. Elevator
Wescoe Building	2 Elevators	Manufacturer: Montgomery Elevator
Miller Building	2 Elevators	Manufacturer: Dover Elevator
Delp D Building	1 Elevator	Manufacturer: Montgomery Elevator
Delp F Building	2 Elevators	Manufacturer: U.S. Elevator

Wichita, Kansas Campus

Building 90	2 Elevators	Manufacturer: Montgomery Elevator
