BUILDING DESIGN AND CONSTRUCTION MANUAL

Sections of DFM's Building Construction and Design Manual regarding document ownership have been revised and posted on the DFM website <http://da.ks.gov/fp/manual.htm>. These revisions were made to reflect the recent changes made to the K.A.R. (Kansas Administrative Regulations) that govern the Board of Technical Professions.

The Department of Administration legal staff assisted in revising "document ownership" information located in chapters 6 (section 9.2) and 13 (section 8.5).

If you need clarification, please contact Gary Hibbs, 785-368-6484.
